### 274 — Got the Jonathans

Panel 1: Outside of the gym, Sheila and Nickey are standing near Nickey's car. Nickey says, "I feel like we should be standing further apart, like someone's going to guess about us." Sheila smiles and replies, "I know what you mean. They'd all be jealous, y'know!"

Panel 2: Nickey blushes a little as she asks, "Was that only two days ago?" "Yeah," Sheila answers. "Can't really believe it meself."

Panel 3: Nickey, somewhat concerned, asks, "That it happened?" "No," Sheila reassures her, "that it was only two days ago. Seems a lot longer than that."

Panel 4: "Jonesin'?" Nickey grins. Holding out her hands, that are shaking like someone suffering withdrawal symptoms, Sheila laughs, "Jonathan Frakes, mate!"

(Jonathan Frakes is Cockney rhyming slang for "shakes.")
