Panel 1: After having chatted with Ophelia for a while, Sheila is now upstairs in the bathroom, preparing for bed. We see her in her kangaroo form, and she sees herself in the mirror above the sink, brushing her teeth.

Panel 2: Still in the bathroom, Sheila is washing her face.

Panel 3: As she is drying her face with a towel, Sheila notices that, although she is still in kangaroo form, she is seeing her human face reflected in the mirror.

Panel 4: Sheila has turned away from the mirror, having covered it with her towel. She is still in her kangaroo form. Her face shows deep concern.
