### 273 — Never Wasted

Panel 1: In her bedroom in the house, Sheila (kangaroo) is still sitting on her bed. Ophelia (skunk) is standing, preparing to take her leave. She asks the 'roo, "You going to be all right for tonight?" Sheila replies, "Yeah, I think so. I'll just try to rest."

Panel 2: The skunk reassures the 'roo, saying, "If you need me, just come get me, all right?" Sheila replies, "I will, Phee. Thanks."

Panel 3: Pausing at the door back into the hallway, Ophelia turns back to say, "Shee? For what it's worth, I think Nickey is lucky to have found you. And vice versa. Love is never wasted. Believe that."

Panel 4: Now alone again in her room, with the door gently closed, Sheila thinks, *It might not be wasted, but it's enough to drive ya nuts, enit?*
