008 — It's a Jungle Out There

Panel 1: In the kitchen of the house, Ophelia and Lightfoot are rummaging through cupboards looking for something to make for dinner. Behind them, Theo is making something in the microwave. Ophelia asks, “Anything we can throw together?” Lightfoot replies, “Let’s take a look.”

Panel 2: While Theo is checking on his microwaved dish, Ophelia announces her finds: “Pasta, sauce, canned tuna, pickled earthworms...” Lightfoot calls back, “I think Caedmon has dibs on those...”

Panel 3: Theo has taken his food from the microwave and is leaving the kitchen, smiling: “Beef taco roll-ups, corn dogs, and pepperoni pizza rolls.”

Panel 4: Ophelia, incredulous, asks Lightfoot, “Is that the way a real tiger would eat?” The fox replies, “That’s why it’s a jungle out there, not in here.”
