276 — Caveat Sleepor

Panel 1: In the house, Ophelia (skunk) is seated at her computer desk in her bedroom when Sheila (kangaroo) appears, standing in the doorway to the room. “Hey, Phee...” the ‘roo says, “I just wanted you to know, so you wouldn’t be worried: I’ll be staying at Nickey’s tonight.” Looking back over her shoulder, Ophelia says, “Shee, that sounds wonderful!”

Panel 2: An embarrassed forepaw to the back of her head, Sheila says, “I hope so.” Ophelia has gotten up from her chair, moving toward Sheila, saying, “Let me offer a little advice, kid.”

Panel 3: Now at the door, Ophelia says, “No one knows what will happen in life. Take love when, where, and how you find it. Love is worth everything.”

Panel 4: The ‘roo smiles, saying, “Unless she snores.” The skunk returns the grin, observing, “You’ll find that out tonight, won’t you?”
