275 — Friendly Proposition

Panel 1: Still outside the gym, Nickey and Sheila are standing next to Nickey's car, chatting. Nickey says, "So... practice again Thursday night. No game this week, though. Will I see you on Saturday?" Sheila replies, "Unless you've got other plans."

Panel 2: Nickey affirms, "Not a chance. In fact, I was wondering..." "What's that, luv?" Sheila asks. Nicky finishes, "...if you'd stay the night."

Panel 3: The two ladies gaze fondly at each other, blushing.

Panel 4: Her hand shyly at her head, Sheila wonders, "Is anyone looking? Because I want to kiss your whole face." Nickey asks, "Shall I take that as a yes?"

(This is a callback to comic #251, "Starting the Talks," where Nickey tells Sheila that she wants to kiss her whole face.)
